

Ch. 12 - BALANCING

Charlie & Billy in living room to watch game on TV. Bella getting cheese sandwiches & talking to Jacob. Admits it was Edward Cullen that Jacob & Billy saw when dropping her off. Bella very worried Billy will discuss Edward with her dad Charlie. Bella must feel guilty about dating a vampire. Bella goes to school with Edward (behind dad's back). Lots of talking at school. Edward is going "hunting" today (Friday) so Bella is safe (safer?) on trip to Seattle Saturday with him. Saturday - Bella & Edward (Bella driving) head out on a drive and hike. Finished at an ideal, isolated meadow where Edward finally steps into the bright sun...
