

Ch. 17 - The Game

to

The End

OK, summer is almost over and I can't get around to finishing Twilight so, instead of writing Chapter Summaries I just sat down & read it. Hey - it finally got exciting. The "tracker" is a true chase sequence and is a fun read. I won't tell you the ending but ... NO WAY!!!! Thanks for encouraging me to read it - it is well written & I see why you like it. ☺ Mr. C
