Bella now center of attention after accident. Tyler, Mike, Eric are now fans. Bella and Edward in tension. Will Bella tell of his "powers"? Why are his eyes getting darker? Why does he suddenly clench his fists? Bella and Mike in tension over "girls choice" spring dance. Uh oh, the story is losing me... Edward tells Bella they can't be friends. Bella makes up excuse to avoid going to dance. Bella fell down a lot in gym. Tyler, Mike, and Eric all fail to get Bella to ask them to the dance. Edward knows of Bella's excuse to get out of the dance invites and asks her if she wants a ride to Seattle. He has given up avoiding her. He told Bella they should not be friends - how easy to get a teenager to do something - tell them they can't do it!!
