

Ch. 6 Scary Stories

Back to school, no Edward. Dirty looks from Lauren, perhaps for eating lunch with Edward. Gang going to beach for an outing, about 15 miles from Fork called La Push. Forest and river. Bunches of kids, meets Jacob whose father sold Chief Swan the red truck. Hints at reasons Edward and friends cannot come to La Push. Referred to them as "the cold ones", NATURAL enemies of werewolves - by treaty not allowed on the Indian Reservation. Finally - they are revealed as vampires - of indeterminate age.
